TWO THINGS TO LOOK FORWARD TO IN SEPTEMBER

First: Sheffield Walking Festival

I mentioned this in the February Newsletter, but here is some more information about it to keep you up to date.

The Walking Forum is organising a walking festival from September 10th – 18th. This is planned to be a much bigger event than Walk Sheffield was in the past and intended to draw walkers from across the country as well as local folk.

The walks vary in length from 2.5 to 14.5 miles showcasing the green heritage within the city and its surrounding countryside. Several of our members are taking part leading walks and, in particular, our group is doing the Sheffield Country Walk in 5 days from the 12th to 16th (Monday to Friday).

Please put it in your diaries and look out for more details. Sheffield Outdoor City will be hosting webpages for the festival. We hope to have a brief page about the festival very soon with full details by about the end of June. We will put a link on our website when it is up and running.

Second – the September coach trip to Arnside

The coach trip on September 25th will be visiting the Arnside and Silverdale Area of Outstanding Natural Beauty. It's many years since we did a coach ramble here but it's well worth a visit.

Situated on Morecombe Bay there are wonderful views across the famous sands to Grange on the Furness Peninsula and to the Lake District hills, especially good from Arnside Knott.

The walks haven't been finalised yet, but I'm pretty sure both will include a bit of coastal walking and the Knott among many other local features. With a bit of luck we might even see the Arnside Bore! There are pubs and cafes in the village at the end of the walk.

To book please email Liz at lizmsavage@aol.com or text her on 07711353310. She will need your payment (£11) asap after booking.
